The Lilac Inn Brandon, VT

A Romantic
Vermont Country Inn

*Where special
celebrations are
always in season*

On the National Register of Historic Places, this lovingly restored 1909 mansion is a grand home in the classic Newport, Rhode Island summer cottage style. Through a careful blending of the new with the old, each room evokes the welcoming ambiance of the past without foregoing the conveniences of the present.

Unwind as you stroll through two acres of perennial gardens with a sunken waterfall pond then enjoy Vermont Country Inn dining in our full service English theme Tavern.

The relaxed, elegant style of the Inn with its six wood burning fireplaces, nine guest rooms, each with private bath, ironed sheets, big soaking tubs, television and air conditioning all add to the romantic ambiance that makes *The Lilac Inn* uniquely special.
